

VISION 195 SPECIAL BROADCAST

Matthew 28:18–20; John 3:16; 2 Timothy 2:2

LET'S BEGIN HERE

Insight for Living Ministries is committed to excellence in following Jesus' Great Commission to "go and make disciples of all the nations." We will broaden our borders with the message of God's majesty, the authenticity of His Word, and the power of the cross, woven into a tapestry of God's amazing grace, in all 195 countries of our world. This will be accomplished by modeling the life of Christ and mentoring disciples through the new Charles R. Swindoll *Search the Scriptures* Training Centers, our daily broadcasts, translations of our broadcasts and published resources, the latest technology, and international pastoral internships. **Vision 195** is the mission that God has given us for all generations.

LET'S DIG DEEPER

1. A Model: Personal Training

Insight for Living Ministries' goal is to help people become spiritually self-sustaining by coming to the right conclusions regarding Scripture and applying those truths to their lives. The first person to train Chuck Swindoll how to study the Scriptures for himself was Dallas Theological Seminary professor, Dr. Howard Hendricks, in a class called Bible Study Methods.

2. The Approach: Bible Study Methods

- Observation: What does the Bible passage say?
- Interpretation: What does it mean?
- Correlation: What does Scripture say elsewhere?
- Application: How does the passage apply?

3. The Purpose: *Vision 195*

There are 6,875 heart languages in the world. **Vision 195's** mission is to reach out to 195 countries with the dream and the ideal that men and women all over the world would be able to search the Scriptures in their own heart language. How will we do it?

- The Great Commission Foundation (Matthew 28:18–20)
- International Implementation
 - Local pastors (2 Timothy 2:2)
 - Local training centers
 - Example: China
- International Headquarters
